# Introduction to Patel Group of Institutions

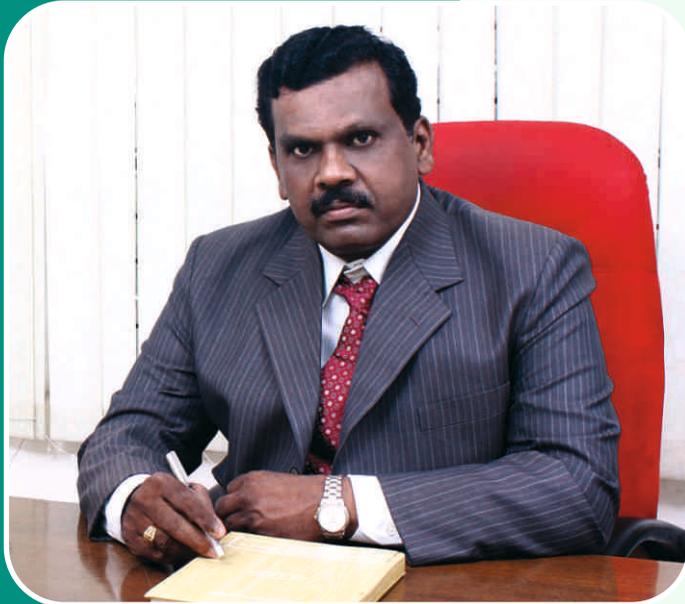

Patel Group of Institutions was born in the spring of 2006 with the motto of Faith, Commitment & Empowerment. The PGI was founded by Mr. R. Sampath Kumar, in memory of his late father Shri. A. Ramaiah, who was the Patel or headman of the village of Kariyammana Agrahara, Bangalore. In an effort to contribute his mite to the society that nourished and nurtured him to succeed in life, Mr. R Sampath Kumar established Patel Ramaiah Group of Institutions that currently has the following centres of learning:

- **Federal College of Nursing - B. Sc (N)**
- **Holy Mother Institute of Nursing - DGNM**
- **Mother Theresa School of Nursing**

The objective of starting these institutions is to empower the young minds of the society with knowledge, skill and values, so that they become the leaders and torch bearers of tomorrow.

The institution is located in the heart of Silicon Valley of India-Bangalore, slightly recessed from the Outer Ring Road opposite to Intel I.T Company. The students here are trained in all aspects of life leading to an all round development and become exceptional professionals in their chosen field of specialisation.

## From The Principal's desk

**I**wish to see my beloved students inculcate and imbibe the great tradition of nursing profession which expresses concern and care for the sick and suffering. I want them to take up the greater challenges in the life to go forward with courage, hope and love. Courage to face difficult task, a hope for hopeless and look for those who are with us, around us and above us knowing that God controls our life situations.

*Today as we stand on the threshold of the new millennium I wish that all my staff and students would set their goal in a way that we might become the source of inspiration, Symbol of dedication and character of sacrifice and love.*

## From The Dean's desk

*It is with great pleasure that I welcome you to Patel Group of Institutions. The prime focus of our college is to help students to reach their full academic potential, developing a moral character and acquiring social confidence and responsibility.*

*The size and structure of our college allows each student to be treated as a special individual. We nurture and facilitate our students to cultivate decision making, problem solving, team building and leadership skills with the help of various activities. Assistance is given to students to hone their skills and grow academically, physically, socially and spiritually in a happy and secure environment.*

*The Group of Institutions endeavors to address the educational needs of students through meaningful and tangible experiences. In this, students are catered for a balanced and varied program designed to suit student's needs and interests.*

*We assure you that PGI is an institution worthy of your serious attention and consideration and I welcome all aspiring young minds to join our dynamic and evolving institution.*

# Nursing Career

Nursing is a career filled with endless personal and professional rewards. If you choose nursing, you have chosen to spend your life helping others, using skills that blend scientific knowledge with compassion and care. There are very few professions that offer such a rewarding combination of high tech and high care.

**Good Prospects:** In hospitals, clinics they have, ward-in-charge, staff Nurse in critical areas like ICU, CCU, Emergency Medical services, Transplant units dialysis units leukaemia etc.

**Community:** Community health Nurse/Public Health Nurse in charge of activities related to the District Health Services. She holds a key role in organization & implementation of many health related programs to the community.

## The job market

Today, there is significant nursing shortage and statistics show that the need for nurses in years to come will only become greater. **The reason** Because advancement in health care is helping people live longer, there are more elderly people who need care.

So, nurses today - particularly those with a Bachelor degree in Nursing (Bsc - N) & General Nursing (DGNM) - where almost all the PHCS / occupational health centers guarantee jobs right after college and assure a secure career into the future.

# Clinical Experience

The college is attached with HAL Hospital, VIMS Hospital, Victoria Hospital, C V Raman Govt. Hospital, Columbia Asia Hospital, Sagar Hospital, Sakara World Hospital, Manasa Hospital, Shimoga are also on the panel for providing identical facilities to our student. Our final year students are going to Vanivilas Hospital at Bangalore for Obs. & Gynec. experience. Community field experience is provided to the students by taking them to Agara (Urban) and Dommasandra (Rural) Health Centers.
